

The decision for Sinclair Broadcasting to force it's stations to air a blatantly partisan anti-Kerry "documentary" right before the election is disgraceful. The motives for this broadcast couldn't be more obvious. Sinclair has contributed thousands of dollars to the Republican party and this is a transparent attempt to effect the outcome of the Presidential election. Large corporations have no business forcing their political interests upon the unassuming public at a time when neutrality and fairness are desperately needed. Please take action and tell Sinclair that this pre-election behavior will not be tolerated.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. But when large companies control the airwaves, we get more of what's good for the bottom line and less of what we need for our democracy.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
